An evening at the Thermal Baths in Altenmarkt with 2 hours in the thermal pools and slides

As always, we are travelling at half term, which during the winter ski period is the peak of high season, but we do our utmost to keep the price realistic and affordable for all. We have also had enquiries from people who would like to come but not ski, so we've set a price of **£575** for those wishing to join us but not take part in the skiing.

The hotel is holding a selection of rooms for us for a short period, which we need to confirm very soon, before they will be released for other guests. Therefore we would appreciate your booking forms together with a deposit of £150 per person as soon as possible. We would appreciate it if you are able to let us know either way, to ensure we are not holding places for anyone who will not be travelling with us this year.

The coach will be filled on a first come first served basis as usual. Our prices quoted are dependent on numbers wishing to join us this year, should we have a full coach then the price may well be reduced slightly.

We look forward to hearing from you very soon.

Should you have any questions at all, please do not hesitate to contact us.

Kind regards

Graham & Sue
